Notes:

- = Yellow highlight indicates crews which have changed *division* since the last draw version. **Note** also changes to marshalling times highlighted.
- = Crews will be started at 30 second intervals, except where the organisers deem it necessary to allow additional time for badly matched crew speeds in order to minimise overtaking.
- = Division change requests are to be made to the organiser (Rob Cook rc346@cam.ac.uk) before Tuesday 5th Feb.
