

QUEENS' ERGS 2010

WWW.QCBC.NET

To the captains of Cambridge's college boat clubs,

This year Queens' Ergs is holding an invitation event for Cambridge's senior rowers, on the 9th of November. The format will be the same as the main novice event; an 8x 500m relay with 20 second changeover periods. There will only be one final round, towards the end of the night. Teams that enter will be mixed and must contain 4 males and 4 females.

Colleges may enter one team with members from their senior squads. There are places for 9 colleges which will be allocated via a ballot, and Queens'. Please email me with the names of all team members and their t-shirt size (S-XL) to enter the ballot which will close at midnight on the 20th of October. Once the ballot has been drawn an online application form must be completed and £57 paid for race entry. The application must have been received by midnight on the 27th of October in order to receive T-shirt orders in time. (N.B. applications for the novice category will close later).

The men's and women's blue boats are being invited to enter a team together, as are the men's and women's lightweight blue boats.

For more general details please see www.qjcr.org.uk/qergs
