

From the Chairman of the Organising Committee

To: Captains of College Boat Clubs

Dear Captain,

Henley Boat Races: Sunday, 24 March

The annual women's and lightweight races between Oxford and Cambridge Universities take place this year on the Henley reach on Sunday, 24 March.

You and members of your College's boat club are warmly welcome to come to Henley and to support the races; and to attend the Henley Boat Races Ball in the evening (8pm until 1.00 am, £18).

The racing programme starts at 1.15 pm with the inter-collegiate women's and men's races and the afternoon is rounded off at Temple Island Meadows by this year's prize-giver, Tom James (Beijing and London Olympics gold medallist, who rowed for CUBC 4 times between 2003 and 2007, winning in 2007, his Presidential year).

Food and drink, and parking are available at Temple Island Meadows.
