

## Ely Policy for colleges

The CUBC President is very happy for colleges to take advantage of the good water out at Ely providing they adhere strictly to the Ely Policy for colleges:

- No weekday use from 0600-0900 or 1345-1800
- No weekend use from 0700-1430
- Any crew must seek permission from the President, providing a reasonable indication of how frequently and over what period you wish to use the stretch
- Any club that rows within these university rowing periods will be banned from using the stretch at Ely until the 27 March 2015 (ie. zero tolerance)

Henry Hoffstot, the President of the CUBC, can be contacted at [president@cubc.org.uk](mailto:president@cubc.org.uk).

A strict Ely usage policy will avoid any confusion and enable the university crews to maximise their training.

If you have any questions, please direct them to [honsec@cubc.org.uk](mailto:honsec@cubc.org.uk).
