3. Reminders, for all coaches:

- Novice rules still apply to novices outside of Michaelmas Term (e.g. tubs)
- Ensure lights are white, continuous, visible (new year, new batteries!), and attached to both the bow and stern of the boat (**not people or riggers**). EMMs will be instructed to note dim and missing lights where relevant. Fines will be introduced from a crew's second offence.
- Lights should be on no matter the time if the flag is yellow due to fog. This makes it even more important that they be bright enough!

4. Lent Term rules reminders:

- no spinning until the lock (i.e. at P&E or at the bottom of the Reach) in the first 15 minutes after lighting down.
- all crews boating within 15 minutes of lighting down must maintain full crew, full slide rowing until Chesterton footbridge.

5. College run races

- CamCon and the river community appreciate a post being put in the Cam River Updates group on Facebook in advance of the event to let other river users and residents know the timings of the event and row-through details.
