

Croker Oars

As used by the 2013/14 CUBC squad...The *Croker M4* is the first choice oar of multiple Olympic and World Champion crews - the last time Great Britain took the Men's 8+ Olympic title they were using Croker oars. We have a number of ex-World Champions oars available at a great price to Cambridge College crews. Please contact **Oartec** on **0208 749 2292**, or email info@oartec.co.uk for more information.
