

HMC Co-educational Boarding and Day •
650 pupils aged from 13-18 • Sixth Form 270

Canford has one of the most beautiful settings of any school in the country and is a very enjoyable and exciting atmosphere in which to work.

GRADUATE ASSISTANT - ROWING

We wish to appoint, for September 2022, an outstanding, enthusiastic and committed university graduate whose principal duty will be to help coach and deliver the Canford School Rowing programme. This programme must offer all of our pupils the chance to explore the opportunities that sport offers, allow them to express themselves through their physical wellbeing activities and facilitate those who wish to excel in their chosen path. The successful candidate will also help in boarding houses, assist with the weekend activities programme, and potentially assist in an academic department appropriate to the strengths of the graduate. Applicants must have the ability to coach at a good level in rowing, along with the willingness to help in other sports.

This position is designed to allow graduates who might be considering a teaching career to experience life in a boarding school as fully as possible. Previous graduate assistants have gone on to positions in education both at Canford and other outstanding Independent schools both at home and abroad. Equally others have subsequently moved into roles in Elite Sport and business. We are also happy to receive applications from those wishing to take a year out, but not necessarily considering teaching as a career.

This is, initially, a fixed term appointment until July 2023. Accommodation is provided, as are all meals in term-time.

For further information, and to apply, please visit our website www.canford.com/Job-Vacancies.

For queries, contact the HR Department on 01202 847590 or by email:

recruitment@canford.com

Please apply as soon as possible – applications will be considered as they are received

Canford School is committed to equality, diversity and inclusion in all areas of our Community and encourages applications from all suitably qualified candidates.

Canford School is committed to safeguarding and promoting the welfare of children and young people.

The successful applicant will be required to undergo child protection screening.
